B. Evaluation Pattern

No.	Mode of Evaluation	Weightage (%)	Comments
	Internal Evaluation		
1	Mid-Sem	20	Take home exam/viva/written exam (to be decided)
2	Assignment	45	3 Assignment of 15 each
3	Any other	15	Report on Topic covered in the class
	Total	80	
	Internal evaluation total (cannot be >80% and cannot be < 20%)		
	End-Semester evaluation (Please specify below)		
1	Term Project	20	Report on topic related to course but not covered in the class/related to research of the student
	Total	100	
	End-semester evaluation total (cannot be < 20% and cannot be > 80%)		

- C. Availability of instructional material. What needs to be urgently purchased?** Books announced and students encouraged to buy hard copy of reference book. Also library has been informed to buy soft copies of the prescribed text book.

D. Any other matter (student whose name is present in roll list but is absent for many classes/not attending any classes, etc.)

Some students are missing regularly- a few students dropped citing excess load. Keeping track of students who are absent regularly.

E. Any issues with online classes for your course: NPTEL lectures available, power point slides recorded when class is conducted loaded in Moodle; daily chat and attendance shared with students in Google classroom. Assignment loaded in Moodle. Evaluation pattern announced in class and agreed upon.
